## Get Compliant

OneStopHR is a complete outsourced HR Management solution with a focus on compliance, payroll and HR administration.

### Holistic

You have access to a range of HR services such as a highly efficient and integrated payroll and rostering system, training, workplace safety and more.

### Peace of mind

You get access to an online solution with all the tools and information you need to meet your HR compliance obligations with ease and certainty.

### Efficient

You spend less time searching for the HR documents you need to stay compliant. Our information is comprehensive, updated regularly and won't cost you the earth.

#### Our strengths

We remove the stress of having to manage all the legal compliance issues involved in hiring new staff. We manage payroll and HR admin through HR consultants who are equipped with the latest technology and resources. We provide access to compliant HR and OHS documents as well as phone support from our team of dedicated experts. And we ensure the best HR practices are accessible throughout your business.

## Get Clarity

EI Legal specialises in workplace relations law with a focus on workplace agreements and legal representation.

### Clarity

We help you understand and adhere to relevant regulations, to 'keep' you out of trouble, not just 'get' you out of trouble.

### Direction

We interpret the law to help you understand your rights, and give you a tailored legal platform for effective workplace relations.

### Representation

We back you up if things go wrong and provide lawyers to represent you in court if needed.

#### Our strengths

We provide first class legal services, affordably, by recommending simple, logical solutions that are implementable. We operate with highly qualified legal teams who can give you proactive, up to date advice on employment law issues. We are committed to aligning the needs of your business with the obligations of the law. And we offer a unique subscription based pricing model, enabling you to retain legal services all year round.

## Get Inspired

Power2Motivate is a simple online solution for employee reward & recognition, benefits, sales incentives and client loyalty programs.

### Simple

You get a points-based solution linked directly to your business goals, easy to customise with your brand and easy to manage.

### Affordable

There is low upfront investment and you only pay for the points you award.

#### Our strengths

We keep our solutions simple, making it easy to integrate with existing staff performance or sales incentive programs. We enable you to completely brand the program using your own logo and identity. You have the flexibility to reward only those business values and behaviours you are wanting to instill.

The EI Group. Leaders in integrated and innovative human resource solutions.

We bring it all together

The sky is the limit when diversely skilled experts come together to solve problems and seize opportunities. In fact businesses need access to a wide pool of talents just to keep up these days. There is just too much going on for one specialist to stay on top of employment law, HR administration and people and performance. That's why we work as one team to bring it all together for you.
